1. Some time ago [REDACTED] mentioned that he thought I should have a "Q" clearance and said that he would set it up. To date I have heard nothing further regarding this clearance and today I checked with [REDACTED] said that his records showed that this had never been entered and that he would take steps to enter it immediately.

2. As [REDACTED] was involved in [REDACTED] briefing of the NSC, it was necessary to cancel the IAD meeting which had been called for 2:00 o'clock today.

3. CIA has accepted responsibility for administrative support to the William Jackson Committee. Personnel office has made a file search of suitable secretaries for this Committee and has selected seven from throughout the Agency. Three of these come from DDA, three from DDCI, and one - [REDACTED] of OSI - from DD/I. I checked with [REDACTED] who was most cooperative and said that he would make [REDACTED] available for this duty. This will involve the last week of each February, March, April and May. She will be on her normal duties with [REDACTED] the balance of the time. We received a second request which came directly from [REDACTED] for support. This was that we make [REDACTED] available to him [REDACTED]. As [REDACTED] will probably only be here over week-ends, and as [REDACTED] of DDA has assured me that he will have for us a driver "equally as good", and as this will not involve [REDACTED] Fuick, I acceded to this request subject to [REDACTED] approval.
